At each of the 10 attributes you will see a +-sign to the right. This opens up scriptures for further reflection and study. (You can also select *download PDF* which provides a 6 pg document with all the attributes and relevant scriptures).

To do an indepth study, click on *Resolve*, top right (also available at the bottom after the last attribute). You will have to register for the first time, but thereafter only *login* each time you access it or any of the other possibilities it opens up. (Remember to write down your emailadres used and password somewhere for easy access as you are going to login again in future).

The 10 attributes are also added to the new and improved Targetmen cards as personal conviction and commitment.

The definition of ambassador from the Cambridge dictionary: *an important official who works in a foreign country representing his or her own country there, and who is officially accepted in this position by that country.*

Discuss with your team, by looking at the definition above, what it means in Biblical terms to be *'ambassadors for Christ'* by highlighting the following:

- *important official*  
.....
- *who works*  
.....
- *foreign country*  
.....
- *representing*  
.....  
.....

Keep your 10 Attributes handy, we are going to discuss them over the next 10 weeks.

Have a blessed week!

*Harm*
