[20] NOW THEN, WE ARE
AMBASSADORS FOR CHRIST,
AS THOUGH GOD WERE
PLEADING THROUGH US:
WE IMPORE YOU ON
CHRIST'S BEHALF, BE
RECONCILED TO GOD.
II CORINTHIANS 5:20 NKJV

In order to be true followers (disciples) of Jesus, we are also ambassadors of the Kingdom of God. The following are qualities of a marketplace ambassador, and I would hereby like to encourage everyone to do some self-examination and see if we qualify as ambassadors of God's Kingdom of which we are citizens. This week we look at 3 more qualities of an Ambassador of Jesus Christ.

7. Compassion

Compassion reflects Christ's heart for the lost and the hurt.

Description: An ambassador for Christ reaches out with empathy and genuine care, not judgment.

"When He saw the crowds, He felt pity for them." — Matthew 9:36

8. Patience

Representing the Kingdom requires perseverance and patient perseverance.

Description: Patience makes an ambassador wait for God's timing and will not respond in the flesh.

"Be wholly humble and meek; be patient and bear with one another in love." — Ephesians 4:2

9. Peacemaker

An ambassador promotes reconciliation, not division.

Description: The mission is to restore peace between God and people — and between people among themselves.

"Blessed are the peacemakers, for they will be called children of God." — Matthew 5:9
